- I am interested in being involved with the building healthy communities' efforts of the members of NyE Communities Coalition.

I am especially interested in the following coalition activities / issues:

- Methamphetamine Abuse - the financial, social, and emotional impact that the abuse of methamphetamine causes in our communities.
- Evaluation and Community Assessment - the examination of what is really going on in our communities based on the collection and assessment of local data and information and the prioritization of our needs.
- Youth leadership or youth alternative activities - the development of strong youth leaders and the promotion of local healthy activities for youth to engage in.
- Health and fitness of our community - the level of exercise and activity that our children and their families engage in.
- Nutritional health - the purchasing and cooking of healthy and appropriate size of foods.
- Substance abuse prevention programming - implementing effective programs across Nye and Esmeralda Counties
- Alcohol related death and injury prevention - especially focused on underage drinking, drinking and driving or riding with a drinking driver.
